All proceeds to benefit the United Way of Sandusky County Cancer Care Fund. The fund was established in 2007, to financially assist those in our county who are going through cancer treatments. Funds are used to pay medical bills, provide gas cards, utility assistance and other special needs determined on a case-by-case basis.

Since 2007, over \$650,000 of support has been provided to over 1,300 Sandusky County residents.
