SANDUSKY COUNTY SENIOR DIRECTORY

2026-2027

The Golden Threads Senior Program of ProMedica Memorial Hospital, United Way of Sandusky County, and Great Lakes Community Action Partnership Senior Programs have created this directory as a quick, useful tool for seniors and their families. Its purpose is to provide updated information about both community resources and local activities geared to the Sandusky County senior population. Agency inclusion in this directory does not imply endorsement nor does omission imply lack of endorsement.

This directory is updated every two years.

If you cannot find the information you need or you want more detailed information, please call United Way of Sandusky County at 419-334-8938 or access the database of available agencies at www.uwsandco.org/help.php
